1. Any booking is considered confirmed on receipt of the total deposit as set by the Management and the written confirmation of said deposit.
2. The booking may be used by the person identified in the booking confirmation only and may not be transferred to third parties without the authorization of the Management. After this date (30 days before the arrival date) we will be forced to keep the deposit. In case of cancellation (communicated at least 30 days before the date of arrival) it is possible to request a voucher of the same value as the deposit; in this case, you will not lose the booking administration fee (€ 80 for the accommodation and € 50 for the pitches).
